Dear Pastor or Administrator,

Attached is a Request for Catholic Rate of Tuition which is \$1,100 per student less than our costto-educate. This \$1,100 subsidy is offered to Catholic families who support their parish within the Archdiocese of Washington. These subsidies are provided through the generosity of St. Mary's parishioners. Your simple yes/no reply to these questions will be helpful to us in determining the merit of the request.

___ The parishioner family is registered with our parish, as indicated.

___ The family supports the parish through regular use of envelopes or on-line donations.

___ The family participates in parish ministries/activities.
